

TRINITY CATHOLIC COLLEGE

PF:MD

May 1, 2003.

TO WHOM IT MAY CONCERN

D. J. Staniforth and Company, Electrical and Air Conditioning Contractors, have carried out various maintenance and installation work at this College (dual campus) over a number of years. The College has enjoyed very professional and productive relationships with the Company Directors, Mr. Paul Bonaccorso and Mr. Chris Pisani, and we have found the work performed to be of a very high standard and professional manner at all times.

I have no hesitation in recommending D.J. Staniforth and Company to other potential clients. I would be prepared to support this recommendation verbally if required.

Yours sincerely,

Mr. Paul Fensom
