To whom it may concern

D-J STANIFORTH & CO. has been the electrical contractor for Toys R Us (Australia) for the past three years. In this time I have found them to be very professional to deal with and their electrical technicians of the highest quality as well as customer focus.

D-J STANIFORTH & CO. perform all electrical requirements we need from Major Works to Repairs & Maintenance to our Head Office & Thirty Seven Stores Australia wide including the following ongoing maintenance contracts as required by Australian Standards & Building Codes of Australia.

Test & Tag of Portable Electrical Equipment

Exit & Emergency Lights

I would like to take this opportunity to recommend D-J Staniforth to anyone who requires any electrical works or ongoing electrical maintenance.

Yours Sincerely
