

TO WHOM IT MAY CONCERN

This is to certify that D J Staniforth and Co, Electrical and Air Conditioning Contractors, have carried out work for Auburn Council for a period of approximately forty (40) years.

During that time D J Staniforth and Co have carried out design, installation and maintenance works associated with Council's new and existing infrastructure, both electrical and air conditioning.

I am please to inform that all works have been carried out in accordance with appropriate standards and in an efficient and satisfactory manner on all occasions.
